

2kWh dual-charge solar container outdoor power

Overview

What is the best 2kWh power station?

If you want a compact, long-lasting 2kWh power station that can fast-charge from the wall and quietly keep a fridge, router, lights and electronics alive during an outage, the Jackery Explorer 2000 v2 is one of the strongest options right now.

What is a 2kWh LiFePO4 battery?

Our take: a lightweight 2kWh LiFePO4 station with fast charging, UPS backup and whisper-quiet operation for outages and off-grid use. 2,042Wh LiFePO4 battery with 2,200W AC output handles fridges, coffee makers, tools and more during outages.

How much power does Delta 2 Max have?

DELTA Max powers almost all the devices you need with a large 2400W AC output. Plus, with X-Boost proprietary technology, run appliances with an output of up to 3400W. Compared with other power stations, DELTA 2 Max can power more devices, while still preventing overloading and overheating. Plug-and-play home back up power solution.
