

# 3 phase inverter with battery in Kenya

## Overview

---

Is a 12Kw 3 phase inverter available in SA?

From the latest video from sunsynk, Keith indicates that the 12kw 3 phase inverter is available in South Africa. I haven't found any pricing online yet so interested to know what the retail price will be.

What is a 3 phase solar inverter?

The inverter is not limited to the aforementioned loads but rather any type of 3 phase, load as long as it does not exceed the rated inverter capacity which is 12Kw. It suitable for residential and light commercial use, maximizing self-consumption rate of solar energy and increasing your energy impendence.

What is a smart inverter?

Its a smart inverter with a 3 phase power output and a 48V input battery voltage. It has a solar priority function to fully maximize on solar energy. With a fully inbuilt protection against surges, overcurrent, overvoltage, bypass phase inconsistency protection, etc, the inverter is built for a long lasting power solution. Available in Kenya.

What type of load can a 3 phase inverter support?

It supports 3 phase loads such as motors and heavy commercial washing machines that requires 3 phase power. The inverter is not limited to the aforementioned loads but rather any type of 3 phase, load as long as it does not exceed the rated inverter capacity which is 12Kw.
