

Amsterdam solar Glass

Overview

What's new at solar solutions Amsterdam?

Now the renewable energy market has grown, it's time for the next step. Solar Solutions Amsterdam displays more than 500 innovations and over 50 practical seminars concerning the latest in energy storage, smart products, and an ever evolving array of solar panels. © 2025 Good!.

What's happening at solar solutions 2024 in Amsterdam?

These are just some of the key trends that have emerged at Solar Solutions 2024 in Amsterdam. Over 300 international exhibitors are presenting their products and solutions, primarily for residential and commercial applications, in the Greater Expo exhibition hall in Amsterdam until this afternoon.

Why are glass-glass modules becoming a standard in the private sector?

According to Michael Katz, Manager Regional Marketing and Communications at Trina Solarin Munich, one important reason why glass-glass modules are increasingly becoming the standard in the private sector is that, in addition to better durability and environmental performance, the solar glass is lighter.
