What is a reefer container?

Reefer containers are commonly used in international transportation for shipping medicine and (fresh) foods. The most popular shipping containers are the 20FT, 40FT, and 40FT High Cube (HC) variants. A reefer container is particularly suitable for this purpose due to its ability to maintain specific temperatures.

Where is Alconet Containers located?

Alconet Containers is located near the port of Rotterdam.\* Although they deal with various types of containers including reefer, flat rack, open top, and tank containers, their location is near the port of Rotterdam.
