

Can Cyprus Communications 5g base station be used

Overview

Should Cyprus invest in FTTH & 5G infrastructure?

The Government of Cyprus encourages the market to invest in Fibre to the Home (FTTH) and 5G infrastructure by providing the incentives related to regulatory certainty and measures. Public investments can only be used in areas where the market fails to develop and should be carefully targeted, so that they are not a deterrent to private investments.

What is Cyprus' digital connectivity plan?

Cyprus' digital connectivity plan sets strategic objectives for 2021-2025 and includes legislative and regulatory interventions as well as practical support for the development of digital connectivity infrastructure.

What is the Broadband Plan of Cyprus 2021-2025?
