

Cost of 40-foot Energy Storage Containers Used in US Ports

Overview

What is the cost of a 40 foot shipping container?

Our 40-foot shipping containers start at \$4,350 or can be purchased for as low as \$197.73/month. They are tough, sturdy, wind and watertight, and designed to keep contents safe and dry.

What are the conditions for a 40-foot shipping container?

When it comes to 40-foot shipping containers, there are generally three main conditions available in the market: new, used, and refurbished. Here's a breakdown of each condition:

What is the cost of a shipping container?

New and Used Shipping Containers at Best Prices! Starting at \$1,800 for new containers and \$79.95/month for purchase. Used containers start at \$2,000 or \$90.91/month for purchase.

Are new shipping containers more expensive than used?

New containers are typically more expensive as they are in perfect condition and ready for long-term use. Used containers are less costly but have some wear and tear. Shipping container sizes and prices are directly linked to each other. The price also depends on how well the container has been maintained over time.
