

Discount offer for 350kW collapsible containers used at port terminals

Overview

What are the services of empty shipping containers?

There are sea, overland terminals, customs ports and depots that serve empty shipping containers. Storage, distribution, maintenance and overhaul of shipping containers are among the services of terminals. Special platforms also do the unloading and loading metal containers to barges, railway and automobile vehicles.

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains. COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

What is compact containers?

Compact Containers serves the global shipping and intermodal industry with an efficient, low-cost means to transport containers by Road, Rail, or Sea. Discover the future of cargo logistics with Compact Containers. Our SeaFold 40' collapsible containers redefine efficiency & cost savings.

What are the benefits of a compact container terminal?

Their compact nature when collapsed liberates valuable storage space and contributes to fewer terminal gate moves. Additionally, the efficient design facilitates quicker throughput times and requires fewer lifts, thereby helping to prevent future container shortages and surpluses.
