

European Folding Container Network Supplier

Overview

What is contine's new foldable cargo container?

Contine's continues to revolutionize the industry with its foldable container solutions. The latest innovation in cargo transport: The CN Cargo 20' foldable cargo container premiered at the Intermodal Europe 2022 in Amsterdam.

What is a returnable foldable large container (FLC)?

For improved space and capacity utilisation ORBIS has introduced a returnable foldable large container (FLC). The OceanPak plastic bin is stackable and collapsible when empty. That increases efficiency and minimizes transport costs during intercontinental shipping, especially during the return transport.

Is a returnable foldable large container sustainable?

One-way packaging is still widely used, and the return shipment of empty containers is costly. Using disposable packaging, however, is neither sustainable, nor very efficient. For improved space and capacity utilisation ORBIS has introduced a returnable foldable large container (FLC).

Why should you upgrade to Chep's foldable pallet containers?

Optimized for cost savings with a fold-flat design, their flexible design is developed for a wide range of food ingredients and packaging materials, making them versatile across industries. Make the switch to Foldable Pallet Containers today Three good reasons to upgrade to CHEP's Foldable Pallet Containers.
