

# **Factory price battery storage in Abu-Dhabi**

## Overview

---

Who will build 'round the clock' solar-plus-battery storage in Abu Dhabi?

Masdar, the Emirati state-owned renewable investment company, has announced preferred contractors and suppliers for the world's first giga-scale 'round the clock' solar-plus-battery storage project in Abu Dhabi.

Why is UAE launching a solar power and battery storage project?

The launch of the solar power and battery storage project marks a pivotal moment in the clean energy transformation, allowing renewable energy to be dispatched 24 hours a day, seven days a week, reaffirming the UAE's position as a global pioneer in renewable energy deployment.

What is a 19gwh battery storage facility?

In addition, the 19GWh battery storage facility will enable seamless integration of solar power into the grid. By integrating state-of-the-art renewable technologies with energy storage solutions, this landmark project exemplifies the UAE's commitment to scaling innovative clean energy solutions to meet evolving energy demands.

How will the solar power and battery storage project impact the economy?

The record-breaking solar power and battery storage project will create over 10,000 new jobs, driving innovation and economic growth
