

Fornafoti solar panels solar panels

Overview

Who is Fortunes Solar?

Fortunes Solar Technology Co., Ltd, called in short of Fortunes Solar, is one of the earliest international companies that entered into solar PV module designing and manufacturing in 2012. At Fortunes Solar, we strongly believe that solar as a renewable energy is set to be one of the final solutions to turn the environment better.

Who is Trina Solar?

With a strong focus on innovation and sustainability, Trina Solar has solidified its position as a top player in the global solar industry. Trina Solar offers a wide range of solar panels, including high-performance monocrystalline and polycrystalline modules, as well as cutting-edge bifacial and smart modules.

Where is Trina Solar located?

Trina Solar has delivered more than 150 GW of solar modules worldwide, making it one of the world's largest PV module manufacturers. Trina has set up regional headquarters in Zurich, Fremont (Silicon Valley, USA), Miami, Tokyo, Singapore, and Dubai, and established offices or branches in Madrid, Mexico, Sydney, Rome, etc. Video: [2. Jinmeit.](#)

Are bifacial solar panels exempt from tariffs?

Additionally, bifacial solar panels—which are designed to capture sunlight from both sides—are now exempt from tariffs. This exemption is aimed at promoting technological innovation in the U.S. solar market, encouraging the adoption of more efficient, high-performance solar panels.
