

# Is there a store in Praia that can replace the battery cabinet

## Overview

---

How to get extra Moneyback point after battery replacement service?

Extra MoneyBack Point will be assigned once after the battery replacement service. +Go to “My Account” and select “Personal Details”, click “Student” under “Connect Other Account” and enter your active student email. You would receive verification email after clicking “Get Verification Code”.

Do you need a seismic rating for a battery cabinet?

As per the geological location, seismic measurements are a must before designing a large assortment of batteries in a single place. Tipping over, arcing, spillage, fire and toppling can be avoided if due seismic ratings are followed by the manufacturer of Battery Cabinets and Battery Racks.

How to choose a battery cabinet?

The top clearance factor is often overlooked in cabinets, rendering access to the last battery difficult for the technician. As per the geological location, seismic measurements are a must before designing a large assortment of batteries in a single place.
