

# Kenya container generator

## Overview

---

Does Almar Kenya offer gensets?

ALMAR Kenya offer gensets on a rental basis for running reefers in remote locations, or alternatively for reefers on trucks for the transportation of perishable cargo. Flexibility: run reefers without an electrical connection so you are not tied down to a specific location.

Where can I get a shipping container in Nairobi?

Landline (+254) 0202089222. Physical Address: You'll find us at Embakasi behind the Former Taj Mall, Off Airport North Road, Nairobi. Over ten years expertise in shipping containers has seen us rank among the best in Kenya and East Africa.

What is a containerised generator?

Our Containerised Generators deliver robust, high-capacity power from 300–3,000 kVA in secure, weather-resistant enclosures. Designed for challenging environments and critical applications, they offer noise reduction, easy transport, and bespoke configuration to meet your site's exact needs.

Can you put a generator in a container?

Generators can be put into containers. There are a number of benefits to doing this including: Easier transportation and installation making them ideal for temporary or remote applications. They are more secure as typically they are lockable which prevents unauthorised access. Do I need to service my power system?

Put simply, yes.
