Who is solar Macs Ltd?

Solar Macs Ltd. is an ecological PV enterprise which has been in existence for 10 years. Our work involves sales, project design, project development, technical installation and maintenance of high-quality PV products , PV systems and project schemes for residential and commercial users of renewable solar energy in Zambia.

Why should you choose a solar pump system in Zambia?

Zambia has one of the biggest water resources in Sub-Saharan Africa and our solar pump systems will enable you to access those resources at any place. Either for residential use, irrigation of farm land or industrial applications, solar pumps will ensure an independent water supply at your location.
