

# Manufacturer of imported rooftop solar panels in Manchester UK

## Overview

---

Who are the best solar panel installers based in the UK?

The biggest solar panel installer based in the UK is Project Solar. LONGi Solar provides the most affordable quality solar panels in the UK. There's been a massive rise in solar panel imports and production in the UK over the last few years, leading many to wonder who the best solar panel manufacturers are.

Where can I install solar panels in Manchester?

If you've been thinking of installing solar panels in Manchester, look no further than Project Solar UK Ltd. We are your one-stop shop for solar panels for domestic and commercial properties.

Why should you choose a solar panel installer in Manchester?

Solar power is a fantastic option for reducing your energy bills and your carbon footprint. In fact, many new builds are now being built with solar panel systems fitted as leading solar panel installers in Manchester. Cut energy costs, boost property value & power your home or business with clean, reliable solar PV systems.

Who are UKSOL solar panels?

UKSOL Ltd is a UK-based solar panel manufacturer founded in 2015 and headquartered in Chalfont St. Peter, England. The company is dedicated to global sustainability and operates in multiple regions, growing quickly despite being one of the younger brands on the list.
