

# Omega solar inverter for sale in Chicago

## Overview

---

Who is Omega solar?

“Omega Solar is the number 1 solar power company in Vietnam, has installed more than 200 solar power projects with a total capacity of over 8000 kWp.” Omega Solar has a team of experts with over 12 years of experience in designing and installing solar power systems according to European standards.

Who makes the best solar inverter?

Ginlong is the top 10 solar inverter manufacturer on the world established in 2005. Ginlong manufactures solar inverters in the direction of Multi MPPTs to help get the most output by optimizing each solar panel area. Ginlong Solis obtained the world's most reliable solar inverter certification for 4 consecutive years 2017, 2018, 2019, 2020.

Is Chicago a good place to install solar panels?

Chicago, located in Illinois, United States, is an excellent city for harnessing solar energy. Despite its reputation for cold winters, Chicago receives an average of 4.2 hours of peak sunlight per day. This makes it a viable location for solar panel installation.

How can I save money on solar panels in Chicago?

South-facing roofs with minimal shading are ideal for optimal sunlight exposure. Financial Incentives: Take advantage of federal, state, and local incentives and rebates available in Chicago to offset the cost of solar panel installation. These incentives can significantly reduce upfront expenses and improve the overall return on investment.
