

# Quote request for solar container leasing options

## Overview

---

Does SeaCo lease containers?

Seaco began leasing containers in the 1960's and is now one of the world's leading container lessors. Our flexible leasing options include Operating Lease and Finance lease suitable for short- and long-term durations including sale and leaseback.

Should I lease or rent a container?

With iCON you can lease containers for a medium to long-term operation period. For shorter periods, we offer container rental. Leasing may be an interesting option for you especially for fixed-term projects or those with unclear terms of duration. Container leasing also offers better cash flow control of your project's income and expenses.

What is LZY mobile solar container system?

LZY Mobile Solar Container System - The rapid-deployment solar solution with 20-200kWp foldable PV panels and 100-500kWh battery storage. Set up in under 3 hours for off-grid areas, construction sites & emergency power. Get a quote today!.

Why should you choose LZY solar panels on shipping container?

Efficient hydraulics help get the solar panels ready quickly. Due to its construction, our solar panels on shipping container offers unmatched flexibility and maneuverability. Sensitive solar arrays can be effectively protected from storms, vandalism and all possible threats. What is LZY's mobile solar container?
