

# Santo Domingo folding solar folding container wholesale

## Overview

---

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

What is a mobile solar container system?

The mobile solar container system includes solar panels, storage batteries, inverter, mounting brackets, and accessories. Solar panels collect energy from the sun and store it in the battery bank, and the inverter converts it to AC power for use.

What is a self-unloading mobile solar container?

Self-unloading mobile Solar Container. Our Solar Containers are designed in a way to maximize ease of operation. It's not only meant to transport PVs but also to unfold them on site. It is based on a 20' sea container. The efficient hydraulic system helps quickly prepare the Solar to work.

How many homes can a solarfold Container Supply?

The on-grid version of the solarfold container is connected directly to the public power grid and can supply up to 40 single-family homes with the energy produced (energy requirement of 3,500 kW/year/single-family house). The solarfold on-grid container can also be expanded with various storage solutions.
