

South African Battery Energy Storage Company

Overview

What is battery energy storage in South Africa?

In South Africa, Battery Energy Storage is a key aspect of the first-of-its-kind hybrid project, Oya. Straddling the Western and Northern Cape Provinces, the hybrid facility will offer 86MW wind and 155MW Solar PV dispatchable power, coupled with 92MW/ 242 MWh battery energy storage.

How will the battery energy storage initiative impact South Africa?

The battery energy storage initiative will significantly enhance South Africa's power infrastructure, alleviating grid congestion and increasing renewable energy integration. It aims to aid South Africa's low-carbon energy transition and achieve carbon neutrality by 2050 through energy arbitrage and ancillary services.

Who owns the Red Sands battery energy storage system?

Updated 1st July 2025 – The Red Sands Battery Energy Storage System (BESS), set to be Africa's largest of its kind, has officially reached commercial close. Developed by Globeleq, which is 30% owned by Norfund, in partnership with African Rainbow Energy, the 153 MW/612 MWh project was signed off in June 2025 in Cape Town.

Why is the Red Sands battery storage project important?

“The Red Sands battery storage project's successful commercial close highlights the importance of international cooperation and public-private partnerships in tackling energy security and promoting a sustainable energy future. Both in terms of energy security, affordability and climate concerns, this project is a milestone.

South African Battery Energy Storage Company

[Energy Storage Startups in South Africa](#)

Oct 14, 2025 · Energy Storage Sector in South Africa has a total of 59 companies which include top companies like Metair, First National Battery and BattCo.

[Envision Energy to supply 257MW battery ...](#)

Dec 16, 2024 · Envision Energy has secured an order to supply three battery energy storage systems (BESS) for South Africa's Oasis 1 cluster of ...

[Africa's Largest Standalone Battery Energy Storage Project ...](#)

6 days ago · CAPE TOWN, 27 June 2025: Globeleq, a leading independent power company in Africa, together with its project partner, African Rainbow Energy, announced that they have ...
