

# South America high frequency inverter manufacturer

## Overview

---

What types of inverters are available?

Specializing in high-quality new energy products, our product lineup includes inverters, solar power inverters, solar charge controllers, pure sine wave inverters, frequency inverters, battery inverters, and UPS systems, all meet CE, IEC, and EMC standards.

How many sy9000 frequency inverters are used in Bali garbage disposal project?

More than 100 sets SY9000 frequency inverters have been used in the Bali garbage disposal project. Our products have won good reputation with its good performance in local. More than 50 sets of SJR2 soft starter and SY9000 VFD have been used in the New energy power plant case.

What is Sanyu inverter welder?

Sanyu inverter welder is our inverter family's important member. It use advanced Inverter technology and high stable components. MMA, MIG, TIG, SAW, SPOT WELDER covers almost all welder series. In China, there are hundreds of authorized distributors and technicians who are ready to serve our customers at any time.
