

Swiss 26650 solar container lithium battery pack manufacturer

Overview

What is a Lithium Werks 26650 battery?

Our high-performance, power cells can be used in fully customizable solutions for multiple market needs. Lithium Werks' 26650 cells are best for Power.Safety.Life.™ applications. They deliver very high power due to their use of patented Nanophosphate® battery technology.

Are Lithium Werks 26650 cells safe?

Based on lithium iron phosphate chemistry (LiFePO₄), the cells are inherently safe over a wide range of temperatures and conditions. Whether the application requires outstanding cycle life or stable float reliability, the Lithium Werks' 26650 cells are suitable for a wide variety of power, pulse, or stand-by applications.

Who sells lithium batteries?

The lithium batteries from LiTHiUM System GmbH have already received several international awards, such as the 360 degree MOVE Award. We advise you competently and complement your projects with innovative ideas. Lithium system sells Lithium cells, Lithium battery, Lithium batteries.
